“Korobas-Barabas”

is the best decision for the successful business:

The company “Korobas-Barabas” produces high-quality packaging, plates, printing products and other products on technological equipment related to printing.

Advantages of cooperation with us:

1) **the print quality.**

All products are manufactured on top quality brand new German equipment Heidelberg Speedmaster.

2) **the package design.**

The company staff includes professional designers, who according to your TA (technical assignment) will make original, high-quality and exclusive design for advertising products. Printing products of our company are high-quality, effective, picturesque, exclusive, easy to remember.

3) **convenient scheme of cooperation.**

We work using previously developed designs and also designs of customers. We can also create a design according to client's TA.

Geographically we are located in the PRC, therefore, for companies located in China, there is a special offer “**Package for 10 days**”. That is, you're guaranteed the fastest time of printing and delivery.

You can order any form of information about discount promotions and bonuses.
